STATE BOND COMMISSION

LOCAL GOVERNMENTAL UNITS - ELECTIONS (DECEMBER 12, 2026)

SBC Meeting Date: October 12, 2026
Application No: L26-272
Entity: Bienville Parish, Fire Protection District, Wards 4 and 5
Type of Request: 5.22 Mills Ad Valorem Tax Proposition
Submitted By: J. Hardy Andrews, Foley & Judell, LLP
Analyst: Jamael Owusu

APPLICATION SUMMARY

Request:

5.22 mills tax, 10 years, 2028-2037, acquiring, constructing, improving, maintaining and operating fire protection facilities and equipment, including obtaining water for fire protection purposes.

Legislative Authority:

Article VI, Section 30
R.S. 40:1501

Recommendation:

The application meets the technical requirements; therefore, staff recommends the propositions be presented to the voters.

Attachments:

- Approval Parameter

APPLICATION ANALYSIS

Based on the current taxable assessed valuation of the District, a 5.22 mills tax will generate an estimated \$784,000 annually.

The proposed proposition was last presented to the voters at the December 10, 2016, election for which it passed.

The proposition is considered a continuation tax.

The District has indicated the 3.53 mills tax authorized at an election held on December 10, 2016, is currently levied at the rolled-up rate of 5.22 mills. Therefore, the proposed tax represents a 1.69 mills increase.

The Notice of Election reflects the estimated cost of the election is \$7,900.

APPLICATION ANALYSIS

This 2% sales tax is expected to yield approximately \$4,592,116 annually.

The proposition was previously presented to the voters at the May 16, 2026 election (SBC application L25-278), but failed to pass with 1,247 yes and 1,483 no votes with 22.7% turnout. Article VI, Section 30(B) provides "no political subdivision shall submit the same tax proposition, or a new tax proposition that includes such tax proposition, to the electorate more than once within a six month period except in the case of an emergency as determined by the governing authority of the political subdivision." The proposed proposition is being presented to the voters more than six months since the last election.

The proposition is considered a renewal tax as the proposition was carried at the November 6, 2012 election and is to be levied through September 30, 2028.

Pursuant to R.S. 47:338.54 Parishes and School Boards are authorized to levy 5% within the jurisdiction. The combined rate levied within the District excluding the Law Enforcement District is currently 5%, which does include the proposed tax.

Total sales tax within this jurisdiction is:

Law Enforcement District	1.00%	
School Board	2.00%	
Police Jury	2.00%	(Includes Proposed)
<u>Solid Waste or Garbage</u>	<u>1.00%</u>

APPLICATION ANALYSIS

Based on the current taxable assessed valuation of the City, a 3.75 mills tax will generate an estimated \$65,000 annually.

The proposed proposition was last presented to the voters at the November 21, 2015 election for which it passed.

The proposition is considered a new tax as the prior tax expired in 2025, resulting in a lapse in levy.

The Notice of Election reflects the estimated cost of the election is \$4,700.

APPLICATION ANALYSIS

Based on the current taxable assessed valuation of the District, a 13.0 mills tax will generate an estimated \$182,000 annually.

The proposed proposition was last presented to the voters at the December 10, 2016 election for which it passed.

The proposition is considered a continuation tax.

Bond Counsel has indicated the 10.0 mills tax authorized at an election held on December 10, 2016 is currently levied at the rolled-up rate of 19.72 mills, but the District's request is to continue the tax at the rate of 13.0 mills. Therefore, the proposed tax represents a 3.0 mills increase from the prior election.

The Notice of Election reflects the estimated cost of the election is \$8,800.

APPLICATION ANALYSIS

Proposition 1 - Fire Protection District No 2, Service Area No. 1:

Based on the current taxable assessed valuation of the District, a 25.0 mills tax will generate an estimated \$1,218,000 annually.

The proposition was previously presented to the voters at the May 16, 2026 election (SBC application L25-284), but failed to pass with 383 yes and 412 no votes with 29% turnout. Article VI, Section 30(B) provides “no political subdivision shall submit the same tax proposition, or a new tax proposition that includes such tax proposition, to the electorate more than once within a six month period except in the case of an emergency as determined by the governing authority of the political subdivision.” The proposed proposition is being presented to the voters more than six months since the last election.

This is a tax to be levied in lieu of a similar 16.31 mills tax authorized at an election held on August 15, 2020, to be levied through 2030 for acquiring, constructing, improving, maintaining and operating fire protection and emergency medical service facilities and other fire fighting or emergency medical service equipment.

The Notice of Election reflects the estimated cost of the election is \$18,200.

Proposition 2 - Fire Protection District No. 2:

Based on the current taxable assessed valuation of the District, a 20.0 mills tax will generate an estimated \$8,012,000 annually.

The proposition was previously presented to the voters at the May 16, 2026 election (SBC application L25-284), but failed to pass with 2,491 yes and 3,177 no votes with 26.3% turnout. Article VI, Section 30(B) provides “no political subdivision shall submit the same tax proposition, or a new tax proposition that includes such tax proposition, to the electorate more than once within a six month period except in the case of an emergency as determined by the governing authority of the political subdivision.” The proposed proposition is being presented to the voters more than six months since the last election.

This is a tax to be levied in lieu of a similar 15.58 mills tax authorized at an election held on December 5, 2020, to be levied through 2031 for the same purposes.

The Notice of Election reflects the estimated cost of the election is \$35,000.

Proposition 3 - Fire Protection District No. 19:

Based on the current taxable assessed valuation of the District, a 26.48 mills tax will generate an estimated \$174,000 annually.

The proposition was previously presented to the voters at the May 16, 2026 election (SBC application L25-273), but failed to pass with 44 yes and 45 no votes with 27.6% turnout. Article VI, Section 30(B) provides “no political subdivision shall submit the same tax proposition, or a new tax proposition that includes such tax proposition, to the electorate more than once within a six month period except in the case of an emergency as determined by the governing authority of the political subdivision.” The proposed proposition is being presented to the voters more than six months since the last election.

The proposition is considered a continuation tax as the proposition was carried at the November 18, 2017 election and is to be levied through 2027.

The District has indicated the 25.0 mills tax authorized at an election held on November 18, 2017, is currently levied at the rolled-up rate of 26.48 mills. Therefore, the proposed tax represents a 1.48 mills increase.

The Notice of Election reflects the estimated cost of the election is \$13,800.

Proposition 4 - Road District No. 2C:

Based on the current taxable assessed valuation of the District, a 20.0 mills tax will generate an estimated \$1,108,000 annually.

A similar proposition, but for the rate of 54.49 mills, was previously presented to the voters at the May 16, 2026 election (SBC application L25-273), but failed to pass with 482 yes and 592 no votes with 29.4% turnout. Article VI, Section 30(B) provides “no political subdivision shall submit the same tax proposition, or a new tax proposition that includes such tax proposition, to the electorate more than once within a six month period except in the case of an emergency as determined by the governing authority of the political subdivision.” The proposed proposition is being presented to the voters more than six months since the last election.

The proposition is considered a renewal tax, as the proposition was carried at the April 9, 2016 election, and is to be levied through 2027.

The Notice of Election reflects the estimated cost of the election is \$15,800.
